

Bramble Union Ambusher

Player-facing description

Bramble Union Ambusher: Keeps the party occupied while the Claimrunner moves for the carriage.

Public role

The frightened body in the bushes who makes the ambush real.

Handout text

Player-safe note: Keeps the party occupied while the Claimrunner moves for the carriage.

GM truth

Use the stat pressure, but keep the story pressure tied to the system that produced the threat.

GM handling

Run Bramble Union Ambusher as a threat with a motive, a pressure point, and something left behind that explains why the fight happened.

Mechanics

- Title: Combat / Bypass Mechanics
- Player Safe: Players can fight, capture, interrogate, or bypass Bramble Union Ambusher when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: a road reclamer who has never done this before, and it shows Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.

A flat read of Bramble Union Ambusher hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option...
- Fear Spends: Reveal who benefits from the current situation. Make the cost personal

without closing off player agency.

Presence 15 They lower weapons long enough to bargain. Instinct 14 The player spots who is ready to run, who is committed, and who can be moved. Visible mercy, a safe retreat lane, or the leader's confidence breaking can end the fight.
- Block4: They know the road has winners and losers. They are not all equally committed to killing. Keep the defector truth behind play-earned clues; this scene can show fear, hunger, and displaced-worker pressure without naming the whole engine. Named Bramble variants tie to the camp through gear, charms, and loyalty rather than a new corporation. Burned by route concessions and company maps that turned old footpaths into priced corridors. Turns the ambush into a values choice

instead of a faceless combat stop. A spared reclamer can become a future informant or complication. Barnacle can smell a deal; Garrick can read fear and posture; any PC can offer a non-lethal branch. Looks to the claimrunner or Kett for permission, but can be moved by Nettle-style fear. npc_images portrait asset
