- Block1: Mithril & Mortar Mithril & Mortar Mithril Master builders and ward-smiths selling durable infrastructure and respectable craft. Builds the infrastructure and the traps in the same catalog, then lets debt decide who gets maintenance. Lausa can date the cargo and wardline craft through old Mithril & Mortar lineage. Proud and professional, genuinely loves good craft, and explains the warranty exclusions with the same warm pride as the workmanship. Evidence, embarrassment, liability, or a public contradiction moves them more than moral appeal. pages/entities/mithril-and-mortar.html MITH-ril and MOR-ter
- Block2: The respectable backbone of the territory, the brand that literally built the place and holds the lien on it. Master builders and ward-smiths selling durable infrastructure and respectable craft. Sell the build and the decay as one product: construct the infrastructure everyone depends on, then let debt and 'scheduled deterioration' decide who keeps their roof. True believers and tired workers keep the public promise alive while managers monetize the gap between promise and harm. Auditing old wardwork while modern divisions quietly profit from what is allowed to crack. Institutional beliefs: The Beautiful Collapse; Debt as Foundation Material; The Trap Division Merger.

- Block4: Mithril & Mortar?: we built the world you owe for. Stone-grey and brass, blueprint scrollwork, scale models, master-mason guild seals, and a sturdy little bricklayer mascot with an impeccable mustache. If it's standing, it's ours. If it's falling, that's the maintenance package. Built to last*! (*see financing terms.) A handshake and a hairline crack: the M&M lifetime relationship. Use the generated logo as the profile mark; use the representative image to show the public promise and private cost as a living place. Seed only for a future theme pass; do not generate music in this implementation.
- Block5: Lausa can date the cargo and wardline craft through old Mithril & Mortar lineage. Daily life depends on the public promise and is harmed by the private business model. The deeper truth is never player-facing on first contact: the public service also sustains the danger that makes the service profitable. Deepest layer, GM-only: Board ownership/collusion sits behind this brand. Surface only as hints and patterns. surface Mithril & Mortar looks like its public promise: Master builders and ward-smiths selling durable infrastructure and respectable craft. hint The promise has a crack: a failed product, a frightened worker, a predatory clause, or a story that does not match what the party saw. earned seam The crack points upward into coordinated market theater.
