

Mountain Crabs

Player-facing description

The crabs look carved from the mountain until they move. Moss and tiny flowers ride their stone shells while their claws test the road edge.

Public role

Crab-shell resource and climbing-route pressure

Handout text

Player-safe note: Granite-shelled cliff crabs with moss and alpine flowers growing on their backs, stone-heavy claws, many gripping legs, and wary eyes made for vertical roads.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Use as Titan's Steps texture: resource, danger, respect test, and a way to make vertical travel feel alive.
