

Root's Hollow

Player-facing description

Root's Hollow smells of tinctures, river water, and careful survival, a place where alchemists learn from Sablewood because they have to.

Public role

Make expertise local, embodied, and respected.

Handout text

A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Introduce with sensory texture, then make one discoverable clue or social choice visible.

Mechanics

- Title: Location Exploration Mechanics
- Player Safe: Players can navigate, search, read customs, inspect hazards Root's Hollow when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-root-s-hollow-engage-root's-hollow entity-root-s-hollow Engage Root's Hollow Engage Root's Hollow Instinct Knowledge Finesse Presence Instinct Knowledge, Finesse, Presence 13 Choose the trait from the player's method, not the entity type. A flat read of Root's Hollow hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move that follows from...

- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
- Condition Options: No official condition unless a hazard creates Hidden, Restrained, or Vulnerable
- Search Loot: Search yields context first: spoor, warning marks, tool scratches, route signs, or local testimony unless a scene names treasure.

- Player Safe: Root's Hollow A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge. A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge. Root's Hollow smells of tinctures, river water, and careful survival, a place where alchemists learn from Sablewood because they have to. Root's Hollow is small and warm because everything above it is enormous and indifferent. You sit under a ceiling of living roots, lanterns in the niches and boots drying by the door, feeling like you crawled in under the ribs of something vast and asleep. The place breaks into usable table spaces: Central root room: A low fire or lantern marks the shared space. Crawl exits: Small exits lead to several different ground-level places. Storage nook: Practical caches show who uses the...
- Block1: Root's Hollow Make expertise local, embodied, and respected. A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge. Root's Hollow makes healing labor visible. The alchemists here read Sablewood for a living. They know what the river heals and what it costs to fetch it. Root's Hollow makes healing labor visible. Every remedy here was paid for by someone going out into the wood. That debt of risk colors how freely they share. <pages/entities/root-s-hollow.html>
- Block2: Low workrooms nestle among roots with drying herbs and blue-glass bottles. Every bench has a clean side and a dangerous side. Some labels are drawn by shape for people who cannot risk misreading in low light. River water is stored away from open flame. Detail Sharp herbs, mineral water, beeswax, damp root, and alcohol bite. Detail Root walls are cool; bottle glass tingles where Lucent water was stored. Root's Hollow smells of tinctures, river water, and careful survival, a place where alchemists learn from Sablewood because they have to.
