

Sabine Quillon

Player-facing description

A finely dressed woman waits beside a loaded carriage: worn leather coat, good boots, a book in one hand with a route-map tucked inside it. Her hair is a ragged mess. She carries herself like someone who's seen a fight and expects another.

Public role

Optional backup job-giver.

Handout text

A practical, tired contact is hiring you for a sealed delivery run.

GM truth

She is Sabine Quillon, Emeris Crown Holdings' field agent. Use her only as an optional S00-01 backup job-giver/contact. Reveal the name only when a PC asks or when she introduces herself in the played briefing.

GM handling

Use her as the optional question gate for Prologue names and as the first human crack in the corporate story. She is only needed for S00-01; after the handoff, she is offstage unless Kyle chooses otherwise.

Mechanics

- Title: Social / Information Mechanics
- Player Safe: Players can interact, comfort, persuade, or earn trust Sabine Quillon when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: An optional NPC backup contact for The Job, used only if the table does not want the Marlowe player to carry the table-facing briefing role. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-sabine-quillon-engage-sabine-quillon entity-sabine-quillon Engage Sabine Quillon Engage Sabine Quillon Presence Knowledge Instinct Presence Knowledge, Instinct 12 Choose the trait from the player's method, not the entity type. A flat read of Sabine Quillon hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result,

but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move that follows from the...

- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
- Condition Options: No official condition unless the fiction calls for Hidden, Restrained, or Vulnerable
- Search Loot: Not intended as loot. If treated respectfully, she can leave the party an authorized route copy and a nervous clue about the company's story.

Profile

- Schema Version: npc-profile-v1
- Source: NPC_System_Packet + image-informed hardening
- Backup: False
- Combatant: False
- Player Safe: Sabine Quillon a brisk field agent who can brief the job if Marlowe should not carry it A polished elf factor in white-and-gold field dress holds a sealed scroll tube with immaculate gloves, every pin and clasp arranged to look effortless. Sabine Quillon: a brisk field agent who can brief the job if Marlowe should not carry it
- Block1: Sabine Quillon suh-BEEN kee-YON a brisk field agent who can brief the job if Marlowe should not carry it Optional backup job-giver. Keeps the contract scene moving if the table needs an external briefer. Use only if the table needs the briefing outside Marlowe. Cargo handoff Contract terms A clean start signal Brusque, dry, practical, and frayed. Competence and direct questions.
- Block2: Move the contract out of her hands and into the party's custody cleanly. Stay useful to the office without being close enough to absorb blame. Move the contract out of her hands and into the party's custody cleanly. Stay useful to the office without being close enough to absorb blame. Immaculate competence built as armor. She keeps the contract, not the consequences. Honest in brief flashes, mostly about how little she is paid to be honest. Sealed means sealed. Ask now, because once you roll out, the road is yours. I am not paid enough to make confidence sound honest. She knows the job is stranger than the briefing admits. Being named in the wrong margin when the sealed cargo becomes a scandal. Clean signatures, punctual departures, and questions she can answer from policy. Moral questions, opened crates, and PCs who ask why she will not meet their eyes. Clean signatures, punctual...
- Block3: She expects contractors to want pay more than truth. Competence earns operational detail; emotional appeals make her hide behind policy. Presence 12 Sabine gives a cleaner operational warning. She does not fight; paperwork and plausible deniability are her weapons.
- Block4: Contract terms Custody basics Who expects the package delivered She should not reveal hidden Keystone truth. Loyal by ambition, afraid by experience, and trained to call distance professionalism. Shows the corporate job as human labor under institutional language. She may become a return contact if report_choice points back to Emeris. Marlowe can step back from briefing pressure if Sabine handles the table-facing terms. Her existence protects the Marlowe player from being

forced to brief the table. npc_images portrait asset

- Block5: noncombat NPC NPC profile interaction model; run as social, clue, consent, or pressure play unless a scene explicitly turns violent Social / noncombat Conversation, clue, pressure, or consent gate Social NPC 12 Social threshold: one clear concession, clue, or boundary shift at Difficulty 12 Social stakes only; no HP track unless a scene assigns an adversary profile. Social stakes only; use scene Stress/Fear rules if pressure escalates. Conversation only; no attack modifier unless a scene assigns an adversary profile. Social pressure: name what they want, offer the listed trait/DC move, and let the result change access, trust, timing, or information. Disposition: Brusque, dry, practical, and frayed. Persuasion model: Presence 12 earns one more practical answer before departure. Table move: call for the listed trait at Difficulty 12 when the PC risks something concrete, then give the...
