

The Glimpse

Player-facing description

Something pale stands between trees for less than a breath: deer, wolf, mist, branches, and too many eyes reflecting light that is not there.

Public role

Faint Divinity covered in eyes that cares for injured animals

Handout text

Player-safe note: A half-seen deer-wolf apparition made of moonlit mist, thin branches, too many reflective eyes, and firefly motes that make mercy feel older than fear.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Use as an inference hook for old mercy in the forest. It should raise questions, not answer cosmology.
