

The Miremist

Player-facing description

The Miremist makes certainty expensive: fog, wet roots, and route sounds that arrive from the wrong distance.

Public role

Make uncertainty actionable instead of vague.

Handout text

A mist-wrapped place where route certainty breaks down and the forest makes navigation feel like an audit of attention.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Introduce with sensory texture, then make one discoverable clue or social choice visible.

Mechanics

- Title: Location Exploration Mechanics
- Player Safe: Players can navigate, search, read customs, inspect hazards The Miremist when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A mist-wrapped place where route certainty breaks down and the forest makes navigation feel like an audit of attention. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
