What it is

A quick table calibration: what this is, what we are trying to do, how it feels, and what content may appear.

How it works

Use before play so players know the game frame and can raise concerns.

Step by step

- Use before play so players know the game frame and can raise concerns.
- A corporate-fantasy delivery one-shot with sincere adventure, satire, light PG-13 danger, and room to pause or soften content.
- Return to the fiction with the concrete result, cost, or benefit.
