

Conditions

What it is

The Atlas uses only official global conditions: Hidden, Restrained, Vulnerable.

How it works

Use when a rule or clear fiction creates one of those states.

Step by step

- Use when a rule or clear fiction creates one of those states.
- They change tactical position in specific official ways.
- Return to the fiction with the concrete result, cost, or benefit.

Try it

What do conditions do?

Related rules

- hidden
- restrained
- vulnerable

Source

Official SRD / local quickstart reference. Use private full-rulebook material only at the table.
