

Reaction Roll

What it is

A roll to react to danger or pressure rather than initiate action.

How it works

Use when the GM calls for a response to sudden danger.

Step by step

- Use when the GM calls for a response to sudden danger.
- Usually yes: if you mean a D&D save, look for a Reaction Roll.
- Return to the fiction with the concrete result, cost, or benefit.

Try it

Is this a saving throw?
