

S05-03 - Holding the Line

Player text

The skeletons come in a clatter of rust and bone: not clever, but endless, and all of them reaching for the glowing figure at the center. For every one you put down, the ritual's clock ticks a notch closer to done. But they keep clawing up out of the dirt, and the Custodian cannot defend herself. The line is yours to hold.

Public objective

Defeat the rusted dead and keep the Custodian safe.

GM goal

Run the rusted-sword skeleton wave as clear protection pressure and countdown progress.

GM notes

- Skeletons are pressure and countdown fuel, not a slog. Keep them moving toward the Custodian.

GM script

Say: "They are not strong. They are persistent, and they want her, not you. Stand in the way. Every one you drop moves the countdown down by one."
