### Player text

Every group here has a survival strategy.

### Public objective

Every group here has a survival strategy.

### GM goal

Make every faction useful, human, and materially tied to the forest economy.

### GM notes

- Bramble Union is not only an ambush; it is hidden villages, stonework, and displacement.
- Sable Sinecure is not only merchants; it is hazard-rate logistics and Kazrak-franchised control.
- Hush hospitality is generous, bounded, and politically important.
