

Sealed Keystone Crate

Hook

The package is sealed and important. Deliver it. Do not open it.

What It Is

A sealed crate sits in the back of the carriage, heavier than it looks, banded shut, and unmarked. You're told three things: it is important, you are not to open it, and it goes to the village.

Player Read

The package is sealed and important. Deliver it. Do not open it.

You Could

- Inspect the label, maker, or fine print.
- Use it only when the fiction says you can reach it.
