

Helena Corain

Hook

A direct, affable, brave human who free-climbs the Titan's Steps and commands more respect than most locals of the wood.

Public Read

An elderly climber smiles with wind-cut confidence, grey braids tied in climbing cord and a basket of pale mountain-crab eggs tucked safely against her shoulder.

Comes Across As

Wind-cut confidence with nothing left to prove and everything left to protect. Stopped charging children for eggs after one hungry winter. Cannot abide a young climber trusting a posted safety notice over their own grip.
