

The Catcher's Cradles

Hook

A cradle system associated with the Titan's Steps, letting Sablewood's logistics guild make vertical risk look routine.

Arrival Read

The Catcher's Cradles make vertical danger look routine: suspended nets, rescue platforms, and the quiet pride of people who catch mistakes for a living.

Known For

Huge nets sag between the trees, heavy with a century of caught things, branches, crates, the occasional boot. Pulley towers haul baskets up and down. Safety flags snap overhead. The workers size up a newcomer entirely by how they handle a rope, and they are...

What Is Here

Local residents or workers appropriate to the place nesting swifts, net spiders, beetles eating old rope fibers No default combatant; add only if the scene introduces one Local civic, trade, or route interests Food, tools, route signs, local goods, or...

Food And Texture

The crews eat on the repair platforms, passing a shared pot hand to hand so no one has to climb down for it. Plain food, beans and bread and strong tea, eaten with the easy gallows-humor of people who catch other...

You Could

- Look for the busiest local gathering point.
- Ask what has changed here recently.
