A settlement whose alchemists brave Sablewood and the Lucent River for healing water, roots, herbs, and careful local knowledge. Root's Hollow smells of tinctures, river water, and careful survival, a place where alchemists learn from Sablewood because they have to. Root's Hollow is small and warm because everything above it is enormous and indifferent. You sit under a ceiling of living roots, lanterns in the niches and boots drying by the door, feeling like you crawled in under the ribs of something vast and asleep. The place breaks into usable table spaces: Central root room: A low fire or lantern marks the shared space. Crawl exits: Small exits lead to several different ground-level places. Storage nook: Practical caches show who uses the hollow. Plants and materials: root hairs, soft moss beds, tiny fungus lamps. Animals and background life: Spidermanders leave ash-damp prints, Centi-Beetles scrape under the soil, Hellbender stories make...
