run Strixwolf with a motive, an exit route, and one visible sign of the system that produced the threat.

- Wants: Win the immediate objective connected to Sablewood Hybrid Fauna, Strixwolf Mother, Strixwolf Mercy Track, not simply kill the party.
- Fears: Failing the people or protocol behind them, being captured without being heard, or learning the fight served someone else's ledger.
- Secrets: Use the stat pressure, but keep the story pressure tied to the system that produced the threat.
- Body Language: Checks exits and cargo before glory. Fear makes the violence practical rather than theatrical.
- Sample Dialogue: Strixwolf: We were told the road was theirs because they could afford the sign.
