

Community

What it is

A character's social origin and the official feature tied to that origin.

How it works

Use at character creation and when a PC's upbringing explains what they know, fear, or notice.

Step by step

- Use at character creation and when a PC's upbringing explains what they know, fear, or notice.
- Use the printed community feature and let the background shape how the same clue is discovered.
- Return to the fiction with the concrete result, cost, or benefit.

What does community do?

Raw source

- Id: community
- Title: Community
- Tag: rules-canon
- Summary: A character's social origin and the official feature tied to that origin.
- When: Use at character creation and when a PC's upbringing explains what they know, fear, or notice.
- Not When: Do not make community the only path to a clue; it should add texture or a cleaner route.
- Question: What does community do?
- Answer: Use the printed community feature and let the background shape how the same clue is discovered.
- Example: A Highborne PC may recognize legal polish in a contract faster; an Underborne PC may notice who is absent from the paperwork.
- Related: heritage ancestry experiences
- Aliases: background origin highborne loreborne underborne
