

Temporary Effects

What it is

Temporary conditions or effects can be cleared through the listed move, feature text, natural end, or spell/Fear procedure.

How it works

Use when a feature says an effect or condition is temporary.

Step by step

- Use when a feature says an effect or condition is temporary.
- Use the effect text first. If it is a temporary condition, clear it through the appropriate move or spotlight procedure.
- Return to the fiction with the concrete result, cost, or benefit.
