Territories as the frontier and extraction hinterland outside Athervast: Emeris dispatches the one-shot job, Sablewood carries the road risk, Hush holds the immediate ward problem, and the faraway grand capital benefits from a safety economy it barely has to see. A cheerful dystopian territory of branded roads, contracts, and public-private magical infrastructure.; show internal disagreement, practical needs, and how the faction explains itself when outsiders listen. Protect its stake in Emeris Crown Holdings, Sablewood? Logistics Preserve, Hush? Community Enclave while being seen as more than a symbol or obstacle. A cheerful dystopian territory of branded roads, contracts, and public-private magical infrastructure.
