- Block4: The place changes even if the PCs stand still. Local people, creatures, weather, signage, and ward behavior all keep moving around the scene. Treating the villages as enemy territory flattens the conflict. Violence on the road has names here. Survey routes can threaten homes directly. A child's map shows the official route cutting through home space. A thorn screen tightens when voices rise. Let the place be funny through overconfident signage, awkward forms, stubborn local habits, and magic that refuses corporate language.
