GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Use when the scene needs a concrete object for players to inspect, carry, debate, or remember.

Mechanics

- Title: Discovery / Earn-It Mechanics
- Player Safe: Players can inspect, handle, keep, trade, reveal, or earn Legacy Security Badge when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A broken badge on a fallen figure, naming a security unit that no longer exists ? a job title outliving the person. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-legacy-security-badge-engage-legacy-security-badge entity-legacy-security-badge Engage Legacy Security Badge Engage Legacy Security Badge Knowledge Finesse Instinct Presence Knowledge Finesse, Instinct, Presence 12 Choose the trait from the player's method, not the entity type. A flat read of Legacy Security Badge hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the...
- Fear Spends: Reveal who benefits from the current situation. Make the cost personal

without closing off player agency.

- Condition Options: No official condition unless the item or clue physically creates Hidden, Restrained, or Vulnerable
- Search Loot: Names a defunct unit and keeps the skeletons tied to abandoned infrastructure.
