Player-facing description

Public-Private Ward Compact: A concession contract that turns protection into overlapping rights to build, bill, power, guard, finance, and narrate.

Public role

Legal framework that lets companies profit from public safety

Handout text

Player-safe note: A concession contract that turns protection into overlapping rights to build, bill, power, guard, finance, and narrate.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Use when the scene needs a concrete object for players to inspect, carry, debate, or remember.

Mechanics

- Title: Discovery / Earn-It Mechanics
- Player Safe: Players can inspect, handle, keep, trade, reveal, or earn Public-Private Ward Compact when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A concession contract that turns "protecting the village" into overlapping rights to build it, bill it, power it, guard it, finance it, and narrate it. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-public-private-ward-compact-engage-public-private-ward-compact entity-public-private-ward-compact Engage Public-Private Ward Compact Engage Public-Private Ward Compact Knowledge Finesse Instinct Presence Knowledge Finesse, Instinct, Presence 12 Choose the trait from the player's method, not the entity type. A flat read of Public-Private Ward Compact hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option...

- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
- Condition Options: No official condition unless the item or clue physically creates Hidden, Restrained, or Vulnerable
- Search Loot: Finding even one compact clause helps players see that the antagonist is a system, not a boss waiting at the end.
