Mechanics

- Title: Discovery / Earn-It Mechanics
- Player Safe: Players can inspect, handle, keep, trade, reveal, or earn Restorative Ash? when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A little painted tin holds fine black ash and a folded promise as long as your arm. It smells of old smoke and expensive confidence. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-restorative-ash-engage-restorative-ash? entity-restorative-ash Engage Restorative Ash? Engage Restorative Ash? Knowledge Finesse Instinct Presence Knowledge Finesse, Instinct, Presence 12 Choose the trait from the player's method, not the entity type. A flat read of Restorative Ash? hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move...
- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
