

## The Lucent River

### Player-facing description

The Lucent River carries blue light through Sablewood like a road that refuses to become a road.

### Public role

Keep magical water physical: cold, useful, dangerous, and shared.

### Handout text

A luminous river whose blue night glow lets travelers keep time and whose waters are sold, mythologized, healed by, and hunted in.

### GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

### GM handling

Introduce with sensory texture, then make one discoverable clue or social choice visible.

### Mechanics

- Title: Location Exploration Mechanics
- Player Safe: Players can navigate, search, read customs, inspect hazards The Lucent River when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A luminous river whose blue night glow lets travelers keep time and whose waters are sold, mythologized, healed by, and hunted in. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-the-lucent-river-engage-the-lucent-river entity-the-lucent-river Engage The Lucent River Engage The Lucent River Instinct Knowledge Finesse Presence Instinct Knowledge, Finesse, Presence 13 Choose the trait from the player's method, not the entity type. A flat read of The Lucent River hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move...

- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
- Condition Options: No official condition unless a hazard creates Hidden, Restrained, or Vulnerable
- Search Loot: Search yields context first: spoor, warning marks, tool scratches, route signs, or local testimony unless a scene names treasure.

- Block1: The Lucent River Keep magical water physical: cold, useful, dangerous, and shared. A luminous river whose blue night glow lets travelers keep time and whose waters are sold, mythologized, healed by, and hunted in. The river makes wonder practical and vulnerable. The glow is wonder you can bottle, which means someone is selling it, mythologizing it, and hunting in it all at once. The river makes wonder practical and vulnerable. Beautiful and useful makes a thing vulnerable. The river draws pilgrims, profiteers, and predators in equal measure. [pages/entities/the-lucent-river.html](#)
- Block2: Water glows under shadowed banks, turning ropes, stones, and boat hulls blue from below. River traffic moves by practiced rhythm instead of posted schedule. The brightest eddies gather near old wardstone fragments. Animals drink downstream from places locals avoid.
