

The Sable Stills

Player-facing description

The Sable Stills are warm, smoky, and sharper than they seem, turning old wood, strong drink, and local jokes into hospitality with teeth.

Public role

Keep warmth complicated and specific.

Handout text

A settlement where strong drink, old jokes, and Sablewood craft turn danger into hospitality without making danger harmless.

GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Introduce with sensory texture, then make one discoverable clue or social choice visible.

Mechanics

- Title: Location Exploration Mechanics
- Player Safe: Players can navigate, search, read customs, inspect hazards The Sable Stills when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A settlement where strong drink, old jokes, and Sablewood craft turn danger into hospitality without making danger harmless. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-the-sable-stills-engage-the-sable-stills entity-the-sable-stills Engage The Sable Stills Engage The Sable Stills Instinct Knowledge Finesse Presence Instinct Knowledge, Finesse, Presence 13 Choose the trait from the player's method, not the entity type. A flat read of The Sable Stills hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move...

- Fear Spends: Reveal who benefits from the current situation. Make the cost personal without closing off player agency.
- Condition Options: No official condition unless a hazard creates Hidden, Restrained, or Vulnerable
- Search Loot: Search yields context first: spoor, warning marks, tool scratches, route signs, or local testimony unless a scene names treasure.

- Player Safe: The Sable Stills A settlement where strong drink, old jokes, and Sablewood craft turn danger into hospitality without making danger harmless. A settlement where strong drink, old jokes, and Sablewood craft turn danger into hospitality without making danger harmless. The Sable Stills are warm, smoky, and sharper than they seem, turning old wood, strong drink, and local jokes into hospitality with teeth. The Sable Stills should smell illegal before it looks illegal: copper coils, moss smoke, bubbling barrels, hidden paths, and workers insisting this is all for medicine. The place breaks into usable table spaces: Copper still yard: Coils and barrels create shiny clutter. Stream intake: Water feeds the operation quietly. Hidden storage lean-to: Crates and false walls hold secrets. Plants and materials: sugar moss, smoke-stained bark, stream herbs. Animals and background life: drunk...
- Block1: The Sable Stills Keep warmth complicated and specific. A settlement where strong drink, old jokes, and Sablewood craft turn danger into hospitality without making danger harmless. The Stills turn danger into ritual memory. Strong drink loosens tongues. Someone here knows the safe road and will trade the truth for a story or a favor. The Stills turn danger into ritual memory. Outsiders make them nervous. They will help, but only after they have decided you are not here to count their barrels. <pages/entities/the-sable-stills.html>
- Block2: Copper coils, covered barrels, campfire benches, and Knock Wood cups cluster under shelter. Laughter stops quickly when route danger is named, then returns changed. Some barrels are marked for grief, not sale. The strongest drink is offered after respect, not payment. Detail Fermenting fruit, smoke, copper, wet bark, and sweet burn. Detail Cups are warm and rough; barrel hoops leave rust on fingers. The Sable Stills are warm, smoky, and sharper than they seem, turning old wood, strong drink, and local jokes into hospitality with teeth. - Sensory Signature: Detail Fermenting fruit, smoke, copper, wet bark, and sweet burn. Detail Cups are warm and rough; barrel hoops leave rust on fingers.
- Visual Assets: location-visual-assets-v1 the-sable-stills The Sable Stills Bright comedic frontier high-fantasy concept art for a Daggerheart-adjacent tabletop RPG. Medieval/Renaissance fantasy technology only: hand tools, wagons, ropes, parchment notices, ward-stones, carved wood, brass, cloth, stone, moss, lanterns, and magic. The tone is colorful, playful, slightly absurd, and vivid, like a fantasy corporate frontier comedy rather than a grim drama. No sci-fi machinery, no 1800s/Victorian clothing, no modern suits, no guns, no logos, no readable text, no watermark, no border, no collage. /Users/kyle/Documents/My Games/Peril To Profit/story-atlas/src/location_visual_assets/the-sable-stills MAP-LOC-the-sable-stills forest
