

Wardstone

Player-facing description

A carved protective stone that marks where safety begins, hums when the ward is healthy, and sounds wrong when the network is failing.

Public role

A carved protective node that projects a local ward and quietly participates in the ward economy

Handout text

Player-safe note: A stone ward-node that protects a place, records crossings, and may skim ambient soul-signal when tied to the corporate network.

GM truth

A wardstone is a carved stone node that projects protection, suppresses monster manifestation and wild-magic bleed, records crossings, and, in the GM-only layer, skims soul-signal when tied to Soulsfire Solutions' network.

GM handling

Use when the scene needs a concrete object for players to inspect, carry, debate, or remember.

Mechanics

- Title: Discovery / Earn-It Mechanics
- Player Safe: Players can inspect, handle, keep, trade, reveal, or earn Wardstone when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A stone ward-node that protects a place, records crossings, and may skim ambient soul-signal when tied to the corporate network. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
