GM truth

No forced reveal. Let this entity disclose truth through scene context and player attention.

GM handling

Use this person to put a human face on the current pressure. Give them one concrete want before exposition.

Mechanics

- Title: Social / Information Mechanics
- Player Safe: Players can interact, comfort, persuade, or earn trust Xen when it is present in the fiction.
- Gm Only: Use the roll only when the player's method, stakes, and consequence are concrete.
- No Roll Reveals: Surface read: A cocky, practical dwarf lapidarian with faceted nails and polished emerald stones embedded in one arm. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle.
- Rolls: entity-xen-engage-xen entity-xen Engage Xen Engage Xen Presence Knowledge Instinct Presence Knowledge, Instinct 12 Choose the trait from the player's method, not the entity type. A flat read of Xen hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM gains Fear. Make a hard move that follows from the fiction. A flat read of Xen hides the cost, motive, or useful next step...
- Fear Spends: Reveal who benefits from the current situation. Make the cost personal

without closing off player agency.

- Condition Options: No official condition unless the fiction calls for Hidden, Restrained, or Vulnerable
- Search Loot: Search yields context first: spoor, warning marks, tool scratches, route signs, or local testimony unless a scene names treasure. Loot / item link: Bramble Union Stoneweave (Earn Union trust, trade, or receive it from a lapidarian.).

Make beautiful things survive ugly ownership. Swagger built on real skill and a stubborn conscience. Counts honest commissions in beard-beads, and has fewer beads than stories, which tells you something. Wants beautiful things to survive ugly ownership. This stone is worth more than your offer, and so is my time. Flawed? It taught me more than the perfect ones ever did. I will cut you a fair deal. I will not cut a fair stone badly. Xen recognizes more ward-stone quality than he should advertise. Being bought into silence by the very people ruining the craft. Clean cuts, outrageous stones, good gossip, and customers who know quality costs. Fake gems, timid bargaining, and company buyers pretending not to...
- Block3: Xen expects adventurers to undervalue craft until danger makes it useful. Expert curiosity and fair payment land. Flattery works only if specific. Presence 12 They give one practical answer tied to their existing summary or role. He avoids fights but can identify, sabotage, or protect stonework decisively.
