

The Ash Quarry

Hook

A quarry where ash has practical value, letting the setting show resource extraction without losing the strangeness of the old wood.

Arrival Read

The Ash Quarry turns ancient residue into industry: gray terraces, warm dust, and workers who know which piles still remember fire.

Known For

Pale dust coats everything, the ramps, the ropes, the coughing crews. Stone ledges step down into the cut, and rope-lifts haul slabs and people up and down together. Soft ash flats record every footprint. The workers know which piles still hold heat, which...

What Is Here

Local residents or workers appropriate to the place Spidermanders coat themselves in ash Badger-Hawks raid lunch lines from above dust mice and quarry swifts scatter when ropes strain No default combatant; add only if the scene introduces one Local civic...

Food And Texture

Lunch is eaten gray-handed in a dusty shed, hard bread, salt pork, a tea that crunches faintly no matter how careful you are. The water is kept covered, and a clean cup is a small daily victory worth defending.

You Could

- Look for the busiest local gathering point.
- Ask what has changed here recently.
