

The Fire Walk

Hook

A route or ritualized path where fire becomes both danger and logistics credential in Sablewood's local economy.

Arrival Read

The Fire Walk smells of ash, resin, and ritualized courage, a path where heat is both danger and credential.

Known For

Heat shimmers off the stones before you reach them. Travelers gather on the cool rocks to work up their nerve, then cross a path where vents breathe fire on their own timing. There is a strange local pride about doing it properly, and an unspoken scorn for...

What Is Here

Local residents or workers appropriate to the place heat lizards, ash beetles, bold little birds that steal cooled crumbs No default combatant; add only if the scene introduces one Local civic, trade, or route interests Food, tools, route signs, local goods...

Food And Texture

They roast on the heat for free, peppers blistered black, flatbread slapped onto hot stone, a fierce little liquor passed around to settle the nerves. Crossing earns you a bitter, smoky tea and the right to brag about...

You Could

- Look for the busiest local gathering point.
- Ask what has changed here recently.
