

The Goldspire Relay

Hook

A twisting stone signal-spire of mirrors, flags, and courier-birds, its beacon flickering thinner than it should.

Arrival Read

The Goldspire Relay twists upward like maintenance became monument, its weak fire making future failure visible.

Known For

A stone spire that twists upward as if maintenance kept turning into monument. The signal yard flashes with mirrors, flags, and courier-birds. The beacon chamber flickers with meaning. From the ridge overlook you can see every place you have been at once...

What Is Here

Local residents or workers appropriate to the place courier birds, ridge insects, tiny cliff goats that ignore danger No default combatant; add only if the scene introduces one Local civic, trade, or route interests Food, tools, route signs, local goods, or...

Food And Texture

Signal crews eat in shifts at the yard, one hand always free for a flag, bread and hard cheese and a tea brewed strong enough to survive the wind. The courier-birds get the scraps and the affection both.

You Could

- Look for the busiest local gathering point.
- Ask what has changed here recently.
