

Safety Tools

Hook

Light in-person permissions for pausing, slowing down, rewinding, stepping away, or asking for help.

What It Is

Light in-person permissions for pausing, slowing down, rewinding, stepping away, or asking for help.

How It Works

Safety Tools: Light in-person permissions for pausing, slowing down, rewinding, stepping away, or asking for help.

Try It

How do I pause the game?

You Could

- Use at the start and whenever comfort, clarity, pacing, or content needs adjustment.
- Say pause, ask for a break, ask to rewind, step away, or tell Kyle to slow down or repeat something.
- Return to the fiction with the concrete result, cost, or benefit.
