

Old Gregor

Hook

a lucid old skeleton who remembers one name and one debt

Public Read

An old dwarf-miner skeleton wears a battered cap, a corroded locket, and brass charms over a beard that somehow still remembers its braid.

Comes Across As

A gentle ghost of a craftsman wearing a soldier's command like ill-fitting borrowed clothes. Carries a carved toy with one missing wheel. Wants, beneath the whole weight of the debt, only to remember enough of his life to stop obeying it.
