

Halython Fives

Hook

a soft-spoken clank playing a card-and-acorn game with a fox-bat nearby

Public Read

A round brass clank with huge glass eyes holds a tray of colored game stones inside a warm workshop of hanging lamps and tiny mechanical keepsakes.

Comes Across As

Patient to the point of disguise, hiding hard questions inside a children's game of cards and acorns. Oils the same shoulder twice when nervous. Wants, more than anything, to be a person made of parts rather than a tool that happened to learn tricks.
