

Legacy Security Skeleton

Hook

a rusted dead guard still obeying a security routine nobody living remembers

Public Read

A rusted skeleton guard in chain scraps and bead charms stands with a cracked skull, old badge fragments, and road-dust still clinging to the bones.

Comes Across As

Not malice, momentum. A duty that outlived the man and a debt that kept the bones. Somewhere under the patrol loop is someone who wants, very quietly, for the post to finally fall.

Might Offer
