

Soul-Audit Wraith

Hook

a cold memory predator that makes care feel like an unpaid balance

Public Read

A blue-white skeletal auditor drifts inside a torn hood, ledger-light spilling from a dead chest medallion while spectral papers curl around one arm.

Comes Across As

A predator made of policy, hunting where debt, ward-failure, and fear overlap. The original person wanted release from a debt that taught them to collect others, and that single unpaid wanting is the only crack in the ledger.
