Hook

A cocky, practical dwarf lapidarian with faceted nails and polished emerald stones embedded in one arm.

Public Read

A red-bearded dwarf lapidarian grins at the workbench, turquoise beads in the beard, green stone chips on the sleeve, and a jeweler's confidence in every finger.

Comes Across As

Swagger built on real skill and a stubborn conscience. Counts honest commissions in beard-beads, and has fewer beads than stories, which tells you something. Wants beautiful things to survive ugly ownership.
