

Ancestry

Hook

A character's people/species choice and its official feature package.

What It Is

A character's people/species choice and its official feature package.

How It Works

Ancestry: A character's people/species choice and its official feature package.

Try It

Does ancestry change rolls?

You Could

- Use at character creation and when ancestry fiction clearly explains how a PC perceives or approaches a moment.
- Use the printed ancestry feature. For scene flavor, give a distinct clue angle without changing math unless the table grants advantage or adjusts...
- Return to the fiction with the concrete result, cost, or benefit.
