- Image Prompt: Private table TTRPG story atlas asset for Fidget, NPC / Ally. Role: Warm local guide and pace reset.. Summary: A restless child who knows fast routes through the village and asks blunt questions.. Cinematic fantasy concept art, readable silhouette, no visible text, no UI, no watermark. Do not include the Strixwolf Mother, strixwolf pups, wolves, owlbeats, or animal companions.
- Personality: Restless, sharp, and starved to be useful before the grown-ups decide the useful part is over. Reads people fast and forgives slow. The bead strings are a walking map only Fidget can fully read: blue for water, brass for tolls, bone-white for the places adults say children should not go.
- Wants: Be useful before grown-ups decide the useful part is over.
- Fears: Being sent away before the important part happens.
- Secrets: Fidget knows which adults are lying about not being worried.
- Body Language: Look for the player's tone before answering fully. Show the want physically before explaining it.
- Sample Dialogue: You walk like people who got told where to go by a form. Do you want the fast way or the way adults pretend is safer? That is not a secret. It is

just boring when grown-ups say it.

- Equipment: lantern hook string bracelet pocket mossfruit
- Search Or Loot: If gifted, gives a lucky painted stone.
- Gm Use: Use this person to put a human face on the current pressure. Give them one concrete want before exposition.
- Future Hooks: Bring back as an echo if players made a strong choice involving this entity.
- Robust: Fidget: A restless child who knows fast routes through the village and asks blunt questions. No forced reveal. Let this entity disclose truth through scene context and player attention. Give one concrete visual, one sound or texture, and one sign of who has used or neglected it. to help without being dismissed adults making danger boring Use this person to put a human face on the current pressure. Give them one concrete want before exposition. Knowledge / Instinct / Presence as fits the table 15 Learn the clean fact about Fidget and one deeper connection. Learn the useful fact and gain a follow-up question. Learn the fact, but reveal who notices, who is endangered, or what timer advances. Miss the full answer, but gain a sensory clue or safe next step. Misread the pressure and invite a GM move tied to cost, custody, or danger. Spend Fear to reveal the system behind the object, move a threat closer, or make a choice more costly. Loreborne / Knowledge: names the institutional pattern. Wildborne / community: notices local use, neglect, or ecological stress. Martial / security: reads custody, danger lines, and breach response. Magic: senses ward tone, soul-signal, or unstable...
- Mechanics: Social / Information Mechanics Players can interact, comfort, persuade, or earn trust Fidget when it is present in the fiction. Use the roll only when the player's method, stakes, and consequence are concrete. Surface read: A restless child who knows fast routes through the village and asks blunt questions. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle. entity-fidget-engage-fidget entity-fidget Engage Fidget Engage Fidget Presence Knowledge Instinct Presence Knowledge, Instinct 12 Choose the trait from the player's method, not the entity type. A flat read of Fidget hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or safer next option. Failure with Fear: the PC fails and the GM...
