

Recall Stone

Player-facing description

A smooth grey pebble feels warm and ordinary until it refuses to stay where you put it. Set it down, look away, and it waits back in your palm.

Public role

Recall Stone: place it anywhere, set a trigger, and it teleports back to your hand when the trigger happens.

Handout text

GOLDWATER RECALL ASSURANCE: Why carry an unregistered stone when you could lease ours, with quarterly recall fees and a Recall Recall Clause?

Give players a tangible handle on Sablewood Route Network, Will Scild, Goldspire Waymarkers, whether they inspect, carry, return, trade, or refuse it. Being treated as treasure clutter instead of evidence, memory, hospitality, or infrastructure with consequences. Use when the scene needs a concrete object for players to inspect, carry, debate, or remember. Knowledge / Instinct / Presence as fits the table 15 Learn the clean fact about Recall Stone and one deeper connection. Learn the useful fact and gain a follow-up question. Learn the fact, but reveal who notices, who is endangered, or what timer advances. Miss the full answer, but gain a sensory clue or safe next step. Misread the pressure and invite a GM move tied to cost, custody, or danger. Spend Fear to reveal the system behind the object, move a threat closer, or make a choice more costly...
- Mechanics: Discovery / Earn-It Mechanics Players can inspect, handle, keep, trade, reveal, or earn Recall Stone when it is present in the fiction. Use the roll only when the player's method, stakes, and consequence are concrete. Surface read: A smooth grey pebble feels warm and ordinary until it refuses to stay where you put it. Set it down, look away, and it waits back in your palm. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle. entity-recall-stone-engage-recall-stone entity-recall-stone Engage Recall Stone Engage Recall Stone Knowledge Finesse Instinct Presence Knowledge Finesse, Instinct, Presence 12 Choose the trait from the player's method, not the entity type. A flat read of Recall Stone hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the

PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result...
