- Mechanics: Location Exploration Mechanics Players can navigate, search, read customs, inspect hazards Relay Spire when it is present in the fiction. Use the roll only when the player's method, stakes, and consequence are concrete. Surface read: A slim, windswept relay tower with a beacon at the top that has lately begun to burn thin. Give obvious visible facts freely; roll for meaning, risk, leverage, cost, or a hidden angle. entity-relay-spire-engage-relay-spire entity-relay-spire Engage Relay Spire Engage Relay Spire Instinct Knowledge Finesse Presence Instinct Knowledge, Finesse, Presence 13 Choose the trait from the player's method, not the entity type. A flat read of Relay Spire hides the cost, motive, or useful next step. Critical Success: best possible version of the action; gain Hope and clear 1 Stress. Add an extra benefit that follows from the fiction. Success with Hope: the PC gets what they wanted and gains Hope. Keep the position clean or generous. Success with Fear: the PC gets what they wanted, but the GM gains Fear and introduces a cost, complication, or pressure. Failure with Hope: the PC does not get the full result, but gains Hope and receives a useful thread, clue, or...

A slim, windswept relay tower with a beacon at the top that has lately begun to burn thin. The Relay Spire is distant enough to be a future problem and bright enough that nobody can pretend it is unrelated. The Relay Spire is the Relay distilled into a vertical problem: too much wind, too many stairs, not enough certainty. The place breaks into usable table spaces: Base room: Coils of rope, spare flags, and boots

make the tower human. Outer stairs: Windy stairs make movement dramatic. Beacon top: The top holds light, danger, and horizon. Plants and materials: ridge lichen, wind grass, tiny flowers pressed into cracks. Animals and background life: courier birds, cliff insects, small nesting things in the eaves. The air carries wind shear, beacon hum, rope clatter, horizon haze. The tower measures time by beacon checks and bird arrivals. What people can get here: relay access, high vantage. A slim tower that exists to be high and bright. The base room is all coiled rope, spare...
