 Story Atlas generated location notes True strong The Catcher's Cradles A cradle system associated with the Titan's Steps, letting Sablewood's logistics guild make vertical risk look routine. A cradle system associated with the Titan's Steps, letting Sablewood's logistics guild make vertical risk look routine. The Catcher's Cradles make vertical danger look routine: suspended nets, rescue platforms, and the quiet pride of people who catch mistakes for a living. The Catcher's Cradles are practical and absurd: huge nets, hanging baskets, pulley towers, safety flags, caught debris, and workers who judge people by how they handle rope. The place breaks into usable table spaces: Lower net field: Big nets sag under old catches. Pulley posts: Ropes and baskets create vertical movement. Repair platform: Workers patch nets and gossip overhead. Plants and materials: rope vines, wind moss on poles, snagged seed pods. Animals and background life: nesting swifts, net spiders, beetles eating old rope fibers. The air carries rope twang, net sway, pulley squeal, sudden drops stopped by fabric. The cradles catch falling cargo...
