

The Glimpse

Player-facing description

Something pale stands between trees for less than a breath: deer, wolf, mist, branches, and too many eyes reflecting light that is not there.

Public role

Faint Divinity covered in eyes that cares for injured animals

Handout text

Player-safe note: A half-seen deer-wolf apparition made of moonlit mist, thin branches, too many reflective eyes, and firefly motes that make mercy feel older than fear.

- Image Prompt: Private table TTRPG story atlas asset for The Glimpse, Creature / Animal. Role: Faint Divinity covered in eyes that cares for injured animals. Summary: A half-seen deer-wolf apparition made of moonlit mist, thin branches, too many reflective eyes, and firefly motes that make mercy feel older than fear.. Cinematic fantasy concept art, readable silhouette, no visible text, no UI, no watermark. Do not include the Strixwolf Mother, strixwolf pups, wolves, owlbeats, or animal companions.
- Personality: Mercy older than fear, half-seen at the edge of the lantern light. It tends the hurt animals no one else will and asks for nothing, which is exactly why it unnerves people. To meet its many gentle eyes is to feel briefly, unbearably forgiven.

- Wants: To shelter the wounded and the lost, and to be witnessed without being captured or named into a thing.
- Fears: Iron cages, the hunter's certainty, and being turned from a kindness into a commodity.
- Secrets: No forced reveal. Let this entity disclose truth through scene context and player attention.
- Body Language: Appears only in peripheral vision; look straight at it and it is nearer, or gone. Lowers its branch-antlered head over the injured the way a parent checks a fever.
- Sample Dialogue: No sound at all, only a warmth behind the breastbone like a held breath let go. The hush of a hundred fireflies lifting at once from where it stood.
- Equipment: Table texture: spoor, tool marks, route tags, charm scraps, shed material, or local testimony tied to this Sablewood entry. moonlit mist branchlike antlers many reflected eyes firefly motes
- Search Or Loot: Search yields context first: spoor, warning marks, tool scratches, route signs, or local testimony unless a scene names treasure.
- Gm Use: Use as a moral encounter. Reward restraint and observation without forcing a pet or mascot outcome.
- Future Hooks: Bring back as an echo if players made a strong choice involving this entity.
- Robust: Something pale stands between trees for less than a breath: deer, wolf, mist, branches, and too many eyes reflecting light that is not there. No forced reveal. Let this entity disclose truth through scene context and player attention. A pale deer-wolf silhouette of mist and branch, many reflective eyes, dissolving edges, firefly motes, and an elegant unsettling stillness.
