

Roleplay

What it is

The player states what their character says, does, notices, asks, or feels.

How it works

Use whenever a scene needs a choice, reaction, question, or character moment before dice.

Step by step

- Use whenever a scene needs a choice, reaction, question, or character moment before dice.
- No. You can speak in character, summarize in third person, or ask for help finding the words.
- Return to the fiction with the concrete result, cost, or benefit.
