- Long Storyboard: This is the supernatural horror layer. These enemies are the metaphysical cost of neglected systems. Run this scene as ordeal, ritual defense, and restoration: Soul-Audit Wraiths turn fear, debt, and memory into pressure. Keep the camera close to practical choices, visible consequences, and the difference between ordinary people and the infrastructure pressing on them.
- Read Aloud: The wraiths drift closer. Their faces are the shape of remembered shame.
- Gm Notes: Use Pass-Through sparingly. Do not lock too many PCs out of play at once. Keep player-facing information actionable. Reveal systemic truth through objects, reactions, and consequences before naming it. Manufactured-threat lens: seed the contradiction, do not explain it. The surface goal stays simple and heroic.  
[REFLAVOR/GUARANTEED] Soul-Audit Wraiths bear audit glyphs and say, "Unauthorized soul-resonance detected. Submit for audit." [ADD/GUARANTEED] A defeated wraith leaves a Soulspire compliance tag or coil-credit token instead of natural remains.

- Sensory Details: cold invoices in the air voices overlapping with names half-erased light dimming around regret
- Body Language: Wraiths lean toward whoever hesitates The Custodian flinches at familiar phrases
- Sample Dialogue: Soul-Audit Wraith Please itemize the value of your safety.
- Checks: Presence Resist fear or speak a human truth against the audit. Standard Reduce pressure on the ritual. 15 Cleanly resolve: Resist fear or speak a human truth against the audit. Add a concrete boon, extra clue, or improved position. Success, plus the player names one helpful detail or asks one follow-up question. Success, but the GM exposes a cost, ticks a countdown, or reveals a new pressure tied to Soul-Audit Wraiths. The full goal slips, but the party still learns a useful truth or avoids the worst consequence. The GM makes a hard move that follows from the fiction and leaves the next choice visible. Spend Fear to tick the ritual countdown, expose the Custodian, activate ward backlash, or trigger Market Correction. On mixed or sliding results, reveal information in layers: visible fact, actionable clue, then systemic truth. Knowledge Identify the memory shard pattern. Standard Reveal exploitative infrastructure history. 15 Cleanly resolve: Identify the memory shard pattern. Add a concrete boon, extra clue, or improved position. - Player Questions: What detail in Soul-Audit Wraiths tells you the official story is incomplete? Who notices the human cost first, and how do they show it? What small object, smell, or sound makes this scene feel real?
- Relationship Prompts: Which PC quietly checks on someone else here? Who disagrees about the right thing to do without breaking trust?
- Ownership Prompt: Name one detail in Soul-Audit Wraiths that belongs to your character's point of view.
- Reveal Hooks: Loreborne or Knowledge-focused PCs can read the institutional layer. Wildborne/community-focused PCs can read local custom and ecological stress. Martial/security-focused PCs can read threat posture and custody logic. Magic-focused PCs can feel ward tone, soul-signal, or spell instability. Loreborne: spots older legal, heraldic, or ward-craft language under the branding. Underborne: notices service doors, hidden routes, and who built the thing nobody credits. Highborne: reads etiquette, class panic, and reputational risk. Ridgeborne: notices stonework, weight, pressure, and structural weakness. Wildborne: reads the land, animals, and local ecological stress. Elf/Ribbet/Human/Giant/Katari: invite one sensory or social detail from the player's heritage. Sorcerer/Rogue/Warrior/Guardian/Ranger: give each class one table-facing way to shine without changing the plot.
- Fear Spends: Spend Fear to tick the ritual countdown, expose the Custodian, activate ward backlash, or trigger Market Correction. Tick the Ritual Countdown the wrong direction or expose the Custodian. Trigger Market Correction, Pass-Through, Memory Delve, or Group Attack when fiction supports it.
- Story Scope: Perceived antagonist: the forest. True antagonist: the corporate lie about the forest. The players never confront it directly. They are meant to feel it by the end. Every act offers at least one guaranteed and one earned hint that the danger is manufactured and the forest is not the enemy.
