Mist turns hair and cloaks silver. A dark cave opening breathes cold air behind the falling light. Old marks near the cave are not route symbols. Leaf-drip, insects, distant wingbeats, and animal calls that stop or resume according to pressure, not comfort. Thunderous water, cold spray, mineral sharpness, and slick stone algae. Rock faces are wet glass under moss; handholds are colder than the air. The forest is populated even when no NPC is present; silence, birds, insects, and tracks are actionable signals.
