RAB-it GLY-derz Rabbit-gliders skim between low branches near the Refuge, flashing white bellies before landing in fishing nets that were not meant for them. Refuge canopy game Rabbit-gliders skim between low branches near the Refuge, flashing white bellies before...

- Locationids: the-refuge
- Fearsponds: A trophy cracks when nobody touches it. A route board flips from open to delayed.
- Spoilers: GM-only location fields, combat notes, canon notes, and hidden-truth context stay off the player display.
- Mapdata: MAP-LOC-the-refuge environment The Refuge Location Map the-refuge rabbit-gliders moth-possums turtle-mice badger-hawks assets/location-visuals/the-refuge/profile_scene_v02.png Visual reference for The Refuge. The Refuge location map board. The Refuge is prosperous because people learned how to survive Sablewood, not because Sablewood became safe. The Refuge is prosperous because people learned how to survive Sablewood, not because Sablewood became safe. Make success in Sablewood feel costly and communal. Sturdy roofs, route trophies, repair yards, and warm windows sit behind practical defenses. Travelers watch the sky before entering the main lane. Some wealth is hazard pay made permanent. Leaf-drip, insects, distant wingbeats, and animal calls that stop or resume according to pressure, not comfort. Smoke, wet leather, hot stew, sawdust, and oil from maintained gear. Door handles are heavy and warm; defensive rails are smooth from frequent checks. The forest is populated even when no NPC is present; silence, birds, insects, and tracks are actionable signals. Sturdy roofs, route trophies, repair yards, and warm windows sit behind practical defenses. Travelers watch the sky before...

- Takeawayhelp: Player takeaway: MAP-LOC-the-refuge The Refuge is prosperous because people learned how to survive Sablewood, not because Sablewood became safe. Give the player one concrete way back into play: a question, a description, a choice, or a pass-and-return moment. "Your takeaway right now is this: The Refuge is prosperous because people learned how to survive Sablewood, not because Sablewood became safe." "If you are not sure what to do next, you can ask a question, describe what your character notices, or tell me what your character tries." "If you are not sure what to do next, you can ask a question, describe what your character notices, or tell me what your character tries." Give the player one concrete way back into play: a question, a description, a choice, or a pass-and-return moment. Story takeaway: MAP-LOC-the-refuge The Refuge shows survival turned into status. Anchor the answer in the visible fiction on this slide: who is present, what can be observed, what has already been said, and what remains uncertain. "Here is what your characters know right now: The Refuge shows survival turned into status." "If you want more detail, ask it in the scene. I will answer the part your..."
