

S04-03 - The Whitefire Custodian

Player text

The home lowers, and from it steps a being seven feet tall: part humanoid, part firefly, moving in slow drifts broken by sudden jerky motions. Her face is hard to read, but her voice carries every feeling plainly. She eyes your group with open mischief. "Are you the group Emeris sent from the capital? Oh my. You are rather late, are you not? Come in, come in." Inside, the treehouse opens far larger than it should, packed with potion bottles, spellbooks, runes, plants, and small creatures. None of it is messy. You get the sense that if you moved a single item an inch, she would know.

Public objective

Win the Custodian's confidence and hand over the package.

- Caption: The Whitefire Custodian is a person, not the adventure's magical help desk.
- Mood: The Hanging Office
- Gmgoal: Deliver the Custodian as the RP heart of Act 4 and let the party earn her trust before the reveal.
- Publicobjective: Win the Custodian's confidence and hand over the package.
- Readaloud: The home lowers, and from it steps a being seven feet tall: part humanoid, part firefly, moving in slow drifts broken by sudden jerky motions. - Gmnotes: This scene is pure RP with stakes. Dice are optional; trust is not optional. Per-character hooks belong in perCharacterLayer, not in these notes.
- Gmscript: Say: "She is warm, weird, ancient, and deciding right now who you are. She rewards honesty and curiosity. Meet her strangeness with warmth and she will meet yours."
- Gmreadaloud: A seven-foot being steps from the hanging home: part humanoid, part

firefly. Her face is hard to read, but her voice carries every feeling plainly.

Inside, the treehouse opens far larger than it should.

- Gmchecklist: Describe before naming: seven-foot firefly-faerie first, Whitefire Custodian after she names herself. Ask about the journey, who sent them, and how they imagine they might die. Read `hush_trust`, `bramble_truth_learned`, `strixwolf_blood_debt`, and `custodian_route`. Set `custodian_trust` from warmth, honesty, restraint, and answers. Do not reveal the package truth until S04-04.
- Gmprivate: Her knowledge stance is a Kyle canon flag. Play her as warm and guarded; do not resolve whether she fully knows the ward cost. If `strixwolf_blood_debt` is true, she can gently name that the forest has been watching the party with teeth.
- Playertakeaway: Be genuine with her and she becomes your greatest ally; be cold and she gives only what she must.
- Storytakeaway: The person the job served is strange, ancient, warm, and bound to the safety everyone has been circling.
- Mechanictakeaway: `custodian_trust` is the mechanic: warmth, honest answers, restraint, and curiosity decide how much candor and help she gives.
- Rollcards: `s04-03-win-the-custodian's-trust` S04-03 Win the Custodian's trust Win the Custodian's trust Presence Knowledge Presence Knowledge 12 Presence treats her as a person; Knowledge respects her craft.
